HOME OF THE PHOENIX!

DECEMBER 2024 EDITION

**From the desk of
Principal Shea...**

Don't forget about our online SpiritWear Shop at: [EPEC SpiritWear Shop](#)

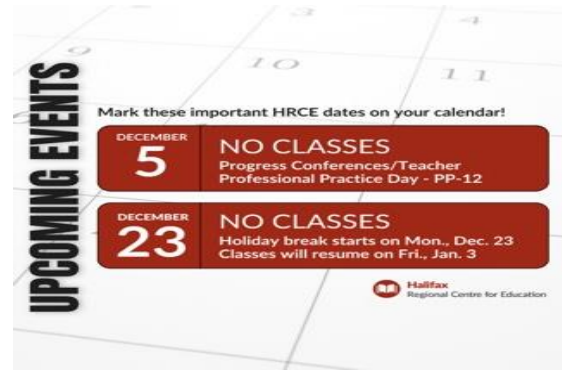

We wanted to thank all the families who were able to come out and meet with teachers during our parent teacher interviews. We believe that ongoing communication between home and school is an integral part of student success and we encourage you to reach out to your child's teachers if you have any questions or concerns about the teaching and learning that is happening at EPEC!

We are pleased with the success of the NutriSlice paid lunch program. We continue to have more families accessing this service and the feedback from students regarding the food quality has been very positive.

With the colder weather upon us, we want to remind students and their families to please ensure that students are dressing for the weather. All students are expected to go outside during breaks and lunch and we would like to ensure that students are staying warm and dry.

We have several teachers who are offering groups, clubs and intramurals during the lunch hour. We want to thank them for dedicating time to providing extra-curricular opportunities to our students.

Mark your calendar!

our Community Fridge

EASTERN PASSAGE FOOD SECURITY SOCIETY
SHARING FOOD. SHARING LOVE.

The Eastern Passage Food Security Society is planning a series of family-friendly events this December, aimed at bringing our community together while supporting efforts to address food insecurity in the area. These events will operate on a "pay what you can" scale to ensure they are accessible to all.
