From The Desk of Ms. Shea & Mr. Fourgnaud...

Dear families,

We are so pleased that the students have transitioned back to school so well. We appreciate your cooperation in reviewing expectations while at school to ensure that all students and staff feel safe.

Our curriculum night will be held on Thursday September 19th from 6:00-7:00 pm. This is an opportunity for you to come into the school and learn about the teaching and learning opportunities that will occur this year for your children.

We are anticipating being able to continue to offer the paid lunch service for students this year. Please stay tuned for more information once the app is up and running.

We believe that strong partnerships between home and school help to create a positive educational experience for our students. We encourage families to reach out to school administration with any questions or concerns.

Sincerely,

Ms. Shea & Mr. Fourgnaud
